

## **Have you big ambitions for your business?**

### **What is Business Buddies?**

Business Buddies is a mentoring service available to businesses in the North Devon and Torridge areas. The service is free, and provided by experienced business people.

### **How does it work?**

If a business qualifies as suitable for the scheme, they are then matched with a mentor, who then meets with them regularly and provides advice and guidance on growing their business.

### **Want to grow your business?**

Already a number of business owners are benefitting from input to their businesses from a Business Buddies mentor – why not join them?
